### A Note About Title Premiums and Charges:

- The purpose of the preceding schedule is to indicate the premiums ordinarily applicable to the amount of insurance coverages shown, and contemplates the ordinary condition of title. If unusual conditions of title are encountered, multiple chains of title are involved or if special or unusual risks are insured against additional charges may be assessed. Additional work fees may also be charged for special or extraordinary services performed beyond those which are ordinarily incurred in connection with issuing a policy of title insurance.
- The charge for an ALTA Homeowner's Policy of Title Insurance and an ALTA Expanded Residential Loan Policy are each 110% of the premium for a Hawaii Standard Owner's Policy; the premium for an ALTA (extended) Owner's Policy is 150% of the premium for a Hawaii Standard Owner's Policy.
- If a title order is canceled, a reasonable cancellation fee based upon the services provided may be charged; however, no cancellation fee will be charged if the transaction does not close by reason of the failure to obtain loan approval.
- The applicable State of Hawaii general excise tax may be added to all charges except title insurance premiums.
- Buyers and sellers of residential resale transactions may receive credits for transactions under \$3,000,000. Credit will be calculated based on the scheduled rate for a Hawaii Standard Owners Title policy and applied to the percentages of the title premium allocated in the contractual agreement between buyer and seller. Credits may also apply to residential refinance transactions.
  - Maximum of 50% credit on scheduled premium if the same property has been insured by any title insurance company during the twelve month period immediately preceding the closing of the subject transaction (provided that the minimum premium charged will not be less than \$300).
  - Maximum of 25% credit on scheduled premium if the same property has been insured by any title insurance company during the period more than twelve months but less than 60 months before the closing of the subject transaction (provided that the minimum premium charged will not be less than \$300).

### OTHER TITLE REPORTS

- STATUS REPORT

A Status Report is ordinarily requested by someone who wishes to know the current status of title to a certain property. It typically carries a maximum liability of \$3,500 and indicates the persons or entities in which the public records state the title is vested, subject to the matters shown in Schedule B, as of the date of the report. Minimum Fee \$300.00.

- PRELIMINARY REPORT

A preliminary report provides information similar to a status report and is ordinarily issued in contemplation of the issuance of title insurance. It provides no title insurance coverage or liability. It is usually one of the first steps in a sales or mortgage transaction, assists the parties and their agents in determining what title matters need to be addressed prior to closing, and provides the basis for the drafting of the conveyance documents. The charge for the preliminary report is credited against the title premium upon the issuance of the title policy. Minimum Fee \$300 if no policy issued.
