TITLE GUARANTY HAWAII

Start inHere®Part of the **inHere** Experience Platform**DIGITAL OPENING PACKAGE**

Title Guaranty is excited to offer a new digital opening experience for your **Buyers** and **Sellers** of residential transactions.

The Start inHere® Digital Opening Package (DOP) provides a secure and simple way to submit opening paperwork via a user-friendly, online survey experience. When you chose to work with Title Guaranty and Start inHere, consumers can safely begin their real estate transaction, share preferred contact methods, and review WireSafe wiring instructions in a secure platform.

Using the DOP has proven to receive quicker and more complete responses from the Buyers and Sellers, as well as increase protection from wire fraud through a secure site and multi-factor authentication.

How it works.

Open Email

Open the email from your TG Escrow to begin the Start inHere® process.

Tap/Click To Begin

Establish a secure communication channel with TG Escrow.

Review & Answer

Review and provide information for each question.

Sign Forms

Review the WireSafe wiring instructions or other forms and click to securely sign and acknowledge.

Submit

Securely submit the updated information and signed WireSafe form.

Whether consumers are on their mobile phone, tablet, or desktop, the Start inHere® DOP is simple and intuitive to walk through. Easy. Secure. Fast. Scan this QR code to view a quick walkthrough video of the Start inHere DOP experience.
