## Adjusting Email Notifications

### Email Instructions

For your convenience, the secure inHere® app provides you with automated email updates when there is something new with your transactions. Emails will be sent when escrow is opened, when milestones are reached and when new documents are available for viewing. The benefit of these emails is you will know when something has changed and can go to the inHere® app to find the latest information. Everything is saved in the app and the email can be deleted.

#### 1 Explore My Order Email

From this email you will need to click, "Click [here](#) to set your notification and subscription preferences."

Together with your real estate agent, Title Guaranty Hawaii brings you inHere® - a platform designed to transform the experience of buying or selling your home from the moment a transaction is started all the way through closing. inHere® enhances the safety, simplicity, and transparency of any real estate transaction for agents and consumers alike by making it easy to Start, Track, Notarize, Sign, and Close with people and technology you can trust. It's all inHere®.

#### 2 Updating Email Preferences

ClosingsLIVE - Email Preferences

I wish to receive emails from the following companies:

Company	New Order Emails	Order Update Emails
Hawaii inHere 207538	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>

I do not wish to receive emails from the companies listed above.

[Update Preferences](#)

[Cancel](#)

This pop up window allows you to quickly customize your email preferences. Select to be notified for new orders, other updates or choose to opt out from all emails. Click on Update Preference to save your preferences. No matter what email preference you select, all of your orders will be available within the secure inHere® app.

*We are happy to help! Please contact your Account Manager or Escrow Officer if you need assistance adjusting your email notifications. To learn more about inHere®, scan the QR code to visit our website!*
