

inHere® Account Setup

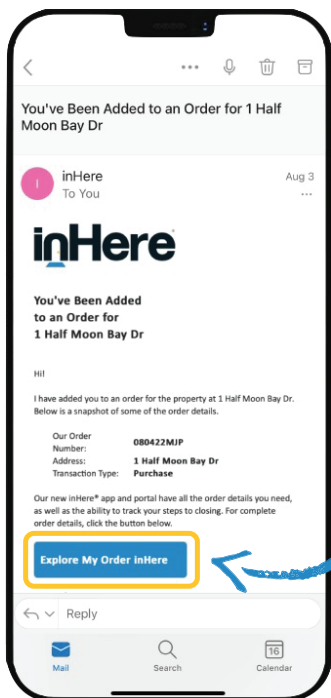

Mobile App & Web Portal Instructions

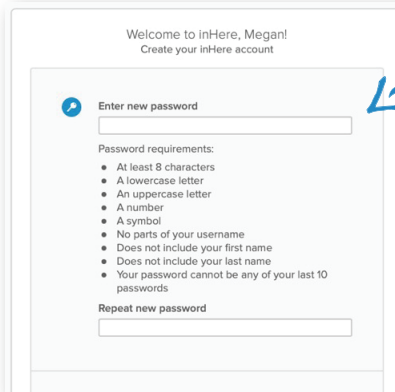

Follow the steps below to create your inHere® account, set up multi-factor authentication, and log in. (The Mobile App and Web Portal user interface are the same.)

1 You will receive an email introducing you to inHere®.

Tap the **button** to register for inHere.

2 Follow the steps to create your inHere account.

Enter a **password** that meets our requirements.

(Optional but Recommended) Add a **phone number** for unlocking your account using **SMS** and/or **Voice Call**.

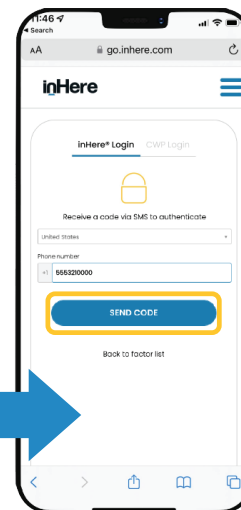

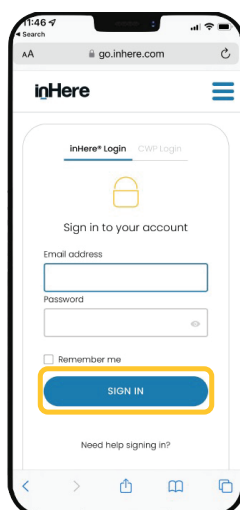

3 The first time you log in, you'll need to set up **multifactor authentication**.

Enter the **email address** to which you received your inHere email.

Then, enter the **password** you created in Step 2.

Tap **Sign In**.

Tap your chosen **method** of authentication.

Click **Send Code**.

Enter code you receive and tap **Verify**.
